* China comprises Mainland China, Taiwan and Hong Kong which have been grouped due to low sample size, treat with caution when interpreting data.

Source: Tourism Research Australia - International Visitor Survey and Domestic Tourism Statistics, Year Ending June 2026. Period-to-period percentage changes may differ slightly due to rounding. The change in reporting from the National Visitor Survey to the Domestic Tourism Statistics means there will be a break in series due to a change in methodology making previous published results unable to be used in comparison.

NOTE: Percentage changes are compared to YE June 2025 unless otherwise stated.
